National Night Out

National Night Out is an annual nationwide event designed to strengthen neighborhood spirit and unity, raise crime prevention awareness, and develop the partnership between the City and the community. National Night Out is always celebrated on the first Tuesday in August. Please mark your calendar for Marysville's National Night Out Celebration coming up on Tuesday, August 2, 2005.

Marysville Police Volunteers organize donations of food and soft drinks, balloon bouquets, informational handouts and other goodies to be distributed at each block party at no charge to the guests and organizers. McGruff the Crime Dog will visit your party, as will local dignitaries and the Chief of Police, officers, staff and volunteers.

To receive more information and to schedule your own block party, please contact Crime Prevention Coordinator Carolyn Johnson at (530) 749-3955.
