Marysville High-School Senior Banner Project

A joint project with City of Marysville and local businesses

Marysville, California May 30— At 6am on Saturday along the street of D from 3rd through 6th, the city of Marysville will proudly hang the first 60 banners of our graduating students of Marysville High School. Each week these amazing city workers will remove and rehang 60 more until a total of 209 Seniors for MHS have been celebrated. We have also reached out Marysville Charter Academy of the Arts and will be celebrating their graduates as well. Projected end date for MHS Senior Project is the weekend of July 4th!

Due to the Covid-19 pandemic our high school seniors as well as most of us, have never experienced this type of situation before. Therefore, all of us embarking into something different and uncomfortable. We took this time as an opportunity to support our children's success and to embrace the opportunity we have in living in a small tightknit community by reaching out to our Mayor, Ricky Samayoa, our City Council members and local businesses: FMB, Marysville Rotary, California Water Agency, Local 228, Marysville Kiwanis Club, McDonalds, Yuba Water Agency, Sierra Central, Shelia & Charlie Matthews and Sara & Josh Baggett c/o Sodaro Orchards. We also reached out to Michael Sparks with InkLab Printing, who is also a MHS graduate who graciously agreed and assisted in making this project happen. Our little town has a tremendous heart and with the support of our amazing community this team knew this project would surely be a success and rise above supporting our Marysville High School Senior Class of 2020! This project is our gift to these graduates, to the next generation of Marysville leaders. We would like for the graduates to remember where they came from and who will always support them; your community, your educators, and your family! WE love our children and know what they have put into their education and what they deserve in return. May our graduates' future hold strong!
