Contemplating exterior paint/repairs or signage for your home or business in Marysville? Visit the City of Marysville Planning Department at 526 C St. (City Hall) to learn more about the City's Design Review Process. The City Council approved this process in 1996 to improve the City's image and help protect its historical assets. Applications for Design Review are available at City Hall. For more information please call 749-3904 or fax 749-3991.
