– The City Council will consider potential CDBG-CV programs and provide direction for staff to prepare an application in response to the release of the Notice of Funding Availability (NOFA) for CDBG-CV funds for COVID-19 related activities that benefit low- and moderate-income residents.

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security (CARES) Act in response to the impacts of the COVID-19 pandemic. The State Department of Housing and Community Development (HCD) is will be publishing a Notice of Funding Availability (NOFA) for Community Development Block Grant Coronavirus Aid, Relief, and Economic Security (CDBG-CV2 and CV3) funds. Eligible cities and counties may submit applications for CDBG-CV funds under the upcoming NOFA. It is estimated that The City of Marysville will be eligible to receive funds based on a formula allocation provided by HCD. The amounts have not yet been released but anticipated to exceed the CDBG-CV1 allocations (approximately \$100,000 - \$250,000). The State will receive \$113,263,490 in CDBG-CV2 funds and \$ 18,031,478 in CDBG-CV3 funds.

Eligible activities paid for with State CDBG funds must meet one or more of the three National Objectives listed in CDBG Federal Statutes as follows: benefit to low-income households or persons (also called Low/Mod Benefit) or meeting urgent community development need (a need resulting from a state or federal declared disaster). In addition, eligible activities must be used directly to prevent, prepare for or respond to COVID-19 and meet CDBG requirements as provided and directed by HCD in the published NOFA and outlined in their plan as follows:

- Public services to respond to COVID-19 impacts
- Public facility improvements to increase capacity for healthcare facilities
- Housing facilities for persons experiencing homelessness
- Economic development to support needs for working capital and furniture, fixtures, and equipment focusing on safety requirement

The City of Marysville anticipates submitting an application under this NOFA, when released. The City does not expect to expend any Program Income dollars in the next program year/contract term.

The City promotes fair housing and makes all its programs available to low- and moderate-income families regardless of age, race, color, religion, sex, national origin, sexual preference, marital status or handicap.
